### Entertainment That Tunes Into You...

- Access all of your entertainment experiences from one place, without the need for separate audio/video components.
- Watch TV when and how you want, and never miss a moment of your favorite programs.
- Enjoy the beauty of a smoother and sharper picture for your DVDs, downloaded movies, or home videos, conveniently stored in one digital collection.
- Quickly find the right music for any occasion and relax with cool on-screen visualizations vibrating to your favorite tunes.
- Watch dynamic full-screen slide shows of your digital memories from anywhere in the room.
- Take control over your experience of your favorite radio shows.
- Watch over a thousand live internet TV and Radio broadcasts.
